

ONLINE WORKSHOP ON "COMPUTATIONAL KNOT THEORY"

<http://www.stoimenov.net/stoimeno/homepage/ckt>

organizers: Alexander Stoimenov, Hyunwoo Lee

hosted by Martin Ziegler's lab at

KAIST, School of Computing

May 26 – June 2, 2021

Our goal is also to promote the topic with talks accessible to (and whet interest of) computer science students (who have not heard much about knot theory).

zoom ID 875 1903 7390, password "knotty".
